

Girard R. Courteau Jr., J.D.
Licensing Associate

(979) 862-1933
gcourteau@tamu.edu

Girard Courteau is a Licensing Associate with Texas A&M Technology Commercialization. Prior to joining the A&M System, he worked as a Research Assistant at Baylor College of Medicine, UT MD Anderson Cancer Center and the LSU Health Science Center in New Orleans. His research background includes work in cell culture, microarray analysis, real-time PCR, western blotting, immunofluorescence and immunohistochemistry.

Girard's interests include intellectual property and health law. He was an Article editor for the Houston Journal of Health Law & Policy while attending law school at the University of Houston Law Center. In addition, he is registered with the United States Patent and Trademark Office as a Patent Attorney.
