

Lynette Urbanovsky  
Intermediate Accountant

(979) 845-6612  
lurbanovsky@tamu.edu

Lynette is the Intermediate Accountant for Texas A&M Technology Commercialization (TTC). In her position she interprets license agreements, processes royalty distributions, invoices companies, and is the primary point of contact for payments. She prepares fiscal related reports, monitors budget activities, tracks account expenditures and serves as the administrator for TTC's financial and technology management software.

Ms. Urbanovsky graduated from the Mays School of Business at Texas A&M University in 2007 with a Bachelors in Business Administration with a major in Accounting and minor in Business. Her prior experience includes human resources, payroll, contracts, and payables experience at Texas A&M University. Beginning her career in internal auditing, Lynette enjoys working with people in all walks of life and comes with 8+ years of accounting and business administration experience.

Lynette currently serves as the English Publicity Officer for the Czech Education Foundation of Texas, the Secretary of the Brazos Valley Czech Heritage Society and has served in many roles for various community organizations in the Bryan/College Station area over the years.
